Educational Program Focus:

- Residential Horticulture**
 Provide educational programming leadership to the 196,237 Okaloosa County residents who manage residential landscapes. This includes receiving and disseminating UF/IFAS science based information to help property owners develop and maintain Florida-friendly lawns, landscapes and gardens.
- Master Gardener Volunteer Development**
 Recruit, train and manage 70 to 90 Master Gardener volunteers in Okaloosa County. Master Gardener volunteers then provide thousands of Okaloosa County residents with UF/IFAS Florida-friendly practices in maintaining their lawns, landscapes and gardens.
- Commercial Horticulture**
 Assist Commercial Horticulture Agent in training the green industry in best management practices.
